U. S. NAVAL HOSPITAL
NATIONAL NAVAL MEDICAL CENTER
BETHESDA, MARYLAND

MISSION, TASKS, AND COMMAND RELATIONSHIPS

1. Mission. To provide general clinical and hospitalization services for active duty Navy and Marine Corps personnel, active duty members of the other armed services, dependents of active duty personnel, and other authorized persons as outlined in current directives. To cooperate with military and civil authorities in matters pertaining to health, sanitation, local disasters, and other emergencies.

2. Tasks. The following specific tasks are assigned to accomplish the mission:

a. Perform the functions of a regional hospital for those activities outlined in current DOD directives.

b. Provide specialized treatment in the following specialties for the Navy as a whole and other authorized personnel:

- (1) Thoracic and cardiovascular surgery
- (2) Plastic surgery
- (3) Keratoplasty
- (4) Neurosurgery
- (5) Surgery for the deaf
- (6) Oncology
- (7) Neurology
- (8) Tropical diseases
- (9) Radiation therapy
- (10) Radioisotope laboratory
- (11) Ocular prosthesis, acrylic
- (12) Open-heart surgery
- (13) Malaria cases (Southeast Asia)
- (14) Melioidosis cases (BuMed Spdltr, BuMed 72 of 1/20/67)
- (15) Treatment of Radiation-exposed casualties

c. Provide, train, and maintain augmentation personnel for immediate availability to the operating forces as provided in current instructions.

d. Provide personnel for, train, and maintain surgical teams to be immediately available to the operating forces when directed by Chief of Naval Operations and for use by

the Commandant, Naval District, Washington, D. C., in disaster control.

e. Maintain a certain number of beds for Veterans Administration patients.

f. Provide dispensary services for the staff and students of the Center Command.

g. Conduct approved residency training programs in the following specialties:

- (1) Anesthesiology
- (2) Cardiovascular Disease
- (3) Internal Medicine
- (4) Obstetrics and Gynecology
- (5) Ophthalmology
- (6) Orthopedics
- (7) Otolaryngology
- (8) Pediatrics
- (9) Plastic Surgery
- (10) Psychiatry
- (11) Radiology
- (12) Surgery
- (13) Thoracic Surgery
- (14) Urology

h. Conduct a rotating internship training program.

i. Conduct clinical clerkship (Ensign 1915) program for Senior Medical Students.

j. Conduct formal training of Group X hospital corpsmen to the technical specialties outlined in current BuMed directives as follows:

<u>School</u>	<u>Length</u>
Cardiopulmonary	52 weeks
Operating Room	26 weeks
Eye, Ear, Nose & Throat	26 weeks
Urology	26 weeks
Electrocardiograph & Basal Metabolism	16 weeks
Electroencephalography	16 weeks
Neuropsychiatry	16 weeks
X-Ray	Last 26 weeks
of 52 week course	

k. Provide on-the-job specialty training for Group X hospital corpsmen as appropriate.

l. Conduct in-service training for Group X hospital corpsmen.

m. Perform care-of-the-dead program under the general supervision of the Bureau of Medicine and Surgery and in coordination with the program administered by the Commandants as outlined in current directives.

n. Provide primary medical support for Battery A, Fourth Battalion (HERC) First Artillery, U. S. Army, Rockville, Maryland. (Hdq. 2nd U.S. Army Regulation 700-2-16 of 1 Jan 66)

o. Provide or undertake such other appropriate functions as may be authorized or directed by higher authority.

3. External Command Relationships. This hospital is one of seven component commands comprising the National Naval Medical Center. The external command relationship for this command is as follows:

a. Command: Commanding Officer, National Naval Medical Center, Bethesda, Maryland

b. Support: Bureau of Medicine and Surgery

c. Area Coordination: Commandant, Naval District Washington, Washington, D. C.

d. Area Coordinator: Commanding Officer, National Naval Medical Center, Bethesda, Maryland

4. Logistic Support. The following logistic support is provided by or to this hospital:

a. Logistic support is provided by the National Naval Medical Center for Fiscal, Maintenance, Supply, Disbursing, Civilian Personnel Management, Special Services, Navy Exchange, Legal Assistance and Chaplain Service.

b. Clinical and Pathology Laboratories, Blood Bank, and Medical Library Services are furnished by the Naval Medical School.

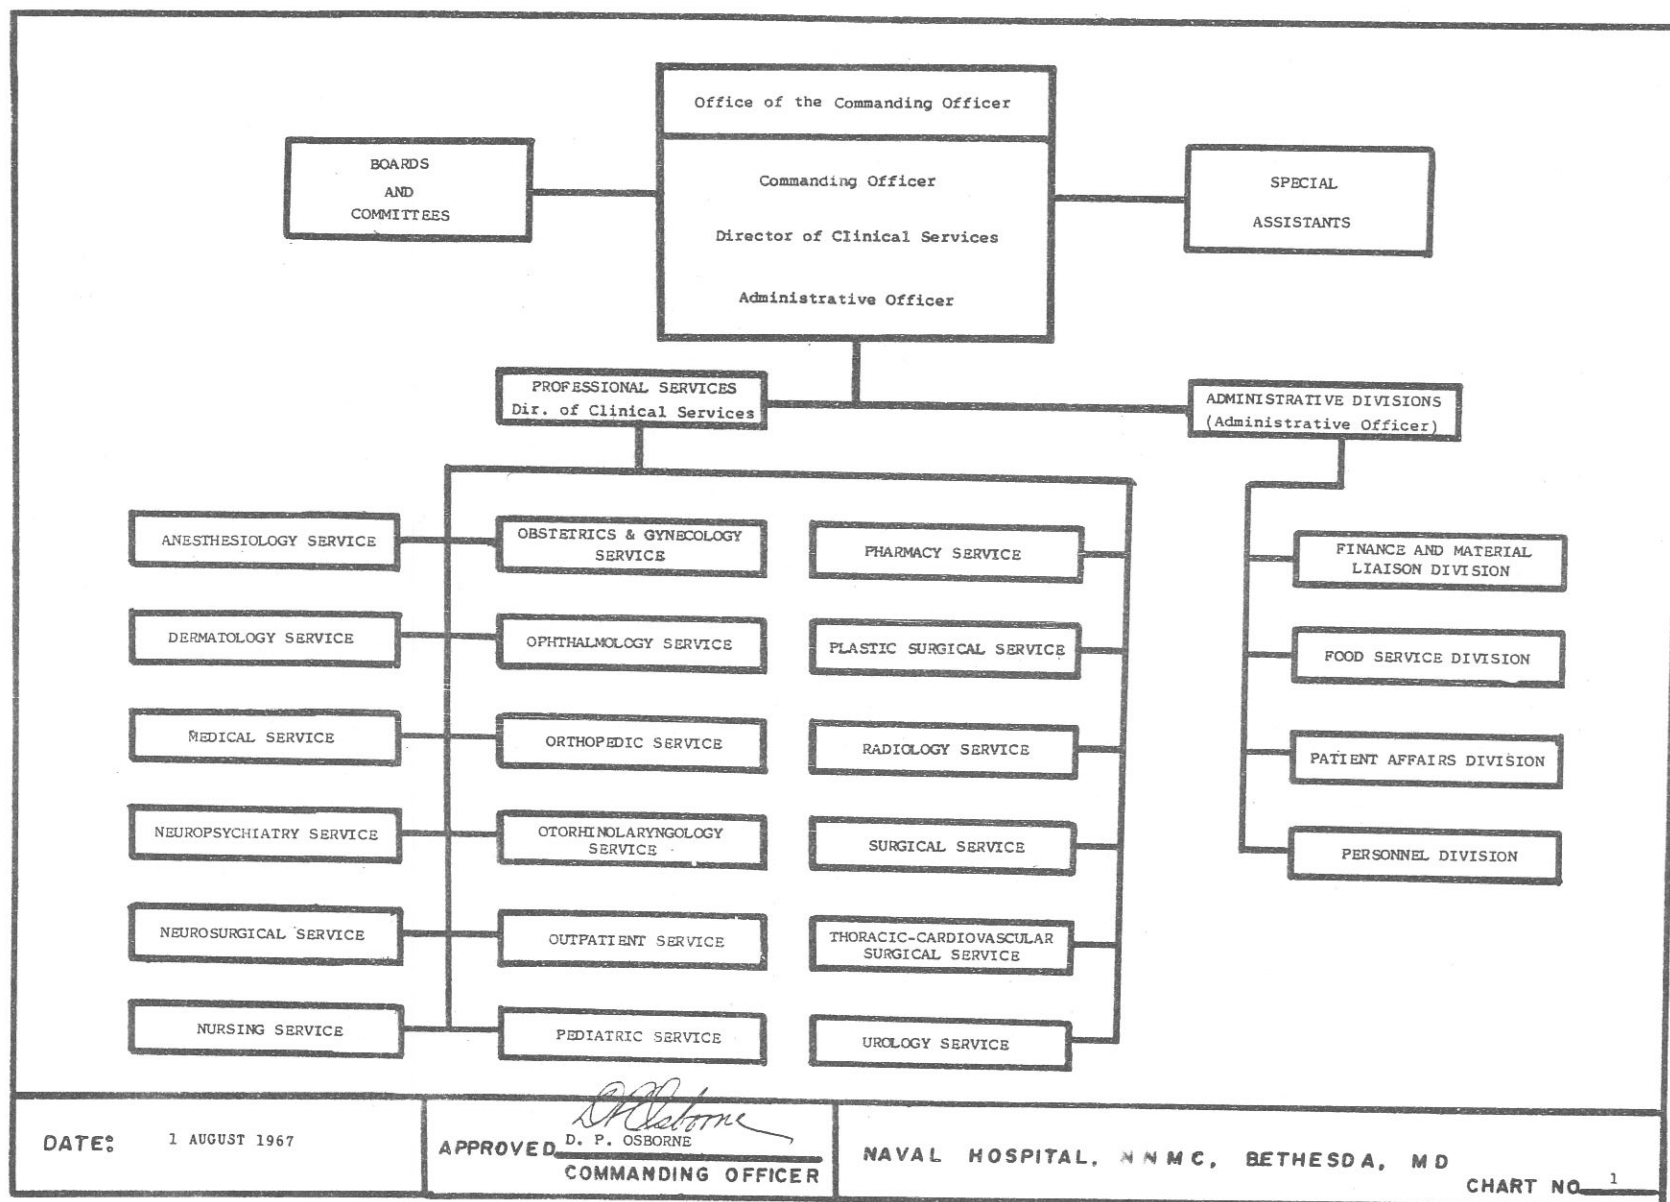

c. Clinical Research assistance, Tissue Bank and Hyperbaric Chamber are provided by the Naval Medical Research Institute.

d. Dental services are furnished by the Naval Dental School Command.

e. The Food Service Division of this hospital provides necessary messing services for all commands of the National Naval Medical Center.

f. This hospital provides continuous training for Hospital Corps personnel of all commands of the National Naval Medical Center.

g. The Officer of the Day of the hospital assumes the duties of the Senior Duty Officer for the National Naval Medical Center after regular working hours.
